Dear Terry and Colleagues

I am writing to update you on our 30th Anniversary fundraising campaign and acknowledge once more, the support we have received from Havant Men's Shed.

We raised a grand total of £2010 including gift aid from our Buy A Brick campaign, which ended in January.

Your fantastic effort in providing the materials and design for this campaign has helped make it such a success and we cannot thank you enough for your support.

Our aim now is to create a permanent 'wall' to host our memory bricks and encourage new supporters to purchase a brick and add their sentiments to our wall.

We hope you will draw satisfaction from the fact that your kindness has helped us raise awareness and sustain our service for people with brain injury.

Yours sincerely
